

NEW MEXICO STING 3 V 3 SUMMER LEAGUE

What: The NM Sting 01 (Alam) and (Winckel) U11G teams will be hosting a 3 V 3 league for the summer.

When: Every Wed. starting June 15th through August 3rd. Games will be from 5:30 to 6:30 PM.

Where: Initial games will be at Hoffmann Park. The games may float between different parks depending on the number of players and interest.

Format: Two 3 v 3 games per night (25 minutes each).

Team Formation: Random 3 v 3 teams will be formed each night. This format allows a) players to compete with new players on a weekly basis, and b) allows a player to miss a week for vacation (etc) without putting out their team mates. Extra players for a given night will play either as 4 v 4 or as a substitution for a given team.

Scoring: Scoring and wins will be tallied, but will be a team aggregate. These records will be kept for the entire summer to determine the "winners". This scoring emphasizes team effort and the desire to score. For example, if team "super girls" wins with a score of 3 vs 2 in game one against "mighty avengers" in game one – all team members of super girls will be recorded as a win, and all members of super girls will be recorded as 3 goals. Likewise all members of mighty avengers will be recorded with 2 goals. This is a team sport, no record will be kept of which player on a team actually scored the goal... because those beautiful assist are just as important as the final finish. Every week new teams will be formed randomly, but the team aggregate scores as summed up with the individual players.

Prizes: Top winners in scoring and number of wins, total for season and average per game played, most improved, highest work rate etc... will win prizes including "Sting" merchandise and other goodies.

Cost: FREE to NM Sting players. Fees for other players will be decided by the coaches.
