

# Kicks for Kelcy

Kelcy Orr has spent the last three years growing into the happy, energetic toddler that so many people know and love, from her teachers at The Montessori Academy of Arlington to all the parents & other players at Polaris, Sting, and Solar soccer clubs, where her big sisters, Hill Elementary students Kailey & Kaci, have played for years.

Everything changed in February 2010, when she was diagnosed with kidney cancer. Now, instead of attending preschool or cheering on games, she's been sidelined by weeks of chemotherapy, surgery, and a hard battle.

The doctors are doing everything they can to cure her, so we're doing everything we can to support Kelcy and her family.... Please join us!
